## FEATURED TRAINER

**Mary Woods, RNC, LADC, MSHS** currently serves as the Chief Executive Officer for Westbridge Community Services, as well as Immediate-Past President of NAADAC, the Association for Addiction Professionals. Woods is a Licensed Registered Nurse and a Licensed Alcohol and Drug Abuse Counselor with over 25 years experience in substance abuse services and community mental health programs. Woods is also the past Chairperson of the New Hampshire State Board of Licensing for Alcohol and Other Drug Abuse Professionals and has taught at the University of New Hampshire, Department of Social Work. Woods has extensive experience conducting workshops and trainings with a primary focus in Interviewing and Attending Skills, Motivational Interviewing, Stages of Change Theory, Integrating Treatment of Co-occurring Disorders, Group Counseling for Co-occurring Disorders and Alcohol and Drug Addiction Treatment Skills for Nurses.

### **Integrating Treatment for Co-Occurring Disorders: An Introduction to What Every Addiction Counselor Needs to Know.**

**October 1, 2010**

A skill-based training program that will help addiction counselors improve their ability to assist clients who have co-occurring disorders, within their scope of practice. This educational program is designed for those who do not have a significant background with co-occurring disorders and will discuss the many myths related to mental illness treatment, barriers to assessing and treating co-occurring disorders, relevant research and prevalence data, commonly encountered mental disorders, applicable screening and assessment instruments and issues surrounding medication management and coordinating with other mental health professionals. This educational program will also introduce the integrated model of mental health and addiction treatment services, outlining how to utilize current substance abuse treatment best practices when working with this population. Through the use of case studies, video clips and interactive exercises, participants will feel more comfortable and competent in addressing mental health issues with clients who have co-occurring disorders.
